

**Therefore Corporation** produces high quality information management software for companies around the world. Are you interested in joining a dynamic team - a team that has the goal of producing the world's best information management software? Therefore™ has helped thousands of companies to speed up their business cycles and improve the way they process information. Find out more on our website [www.therefore.net](http://www.therefore.net).

We're currently looking to further develop our product and company by recruiting a new:

## Software Developer Visual Studio C++/C# (m/f)

As a software developer your main responsibility will be to design, implement and test new features for our Client/Server application. Being able to write reusable and reliable code and manage your own projects while working within a team is key to success. This position is based in Moedling, Austria.

### The Profile:

- University degree in computer science or similar experience
- Good knowledge of Visual Studio C++/C#
- Basic database skills
- Logical thinking in order to create well-structured class design and algorithms

### The Job:

- Being a part of improving our product by researching new technologies and innovations for future development
- Designing and implementing new features
- Working together with your colleagues to share ideas and best practices

If these tasks sound like something you would enjoy, we want to hear from you!

### The Rewards:

- A challenging and multifaceted job in an international, rapidly growing company
- Minimum annual gross salary of €30.212 (38.5 hours/week). Salary may be adjusted based on qualifications and experience.
- Modern office directly next to the Mödling train station with convenient access from central Vienna via public transportation. A supermarket, pharmacy and gym are around the corner.

Are you interested in getting to know us? We'd love to meet you too!  
Please send us your CV, with a photo, in English or German to [career@therefore.net](mailto:career@therefore.net)
